**Coyote Buttes, Utah**

Today I hiked out to see "the wave" at Coyote Buttes. It's a beautiful rock formation in Utah. I got up at 5.30 to get ready: I packed plenty of water to drink - you get thirsty quickly in the desert - and a few snacks for when I get hungry. I put on comfortable clothes and hiking shoes. I wanted to get started before it got hot out, so I left the camp at 7:00 It took me six hours to get there because my GPS stopped working and I got lost. Fortunately, I found some other hikers who knew the way. Here's a photo of me looking at the site. It was amazing!!!
